# Township Medical Benefits *Case Study*

**CLIENT**

Semi-rural township of 22 employees including the fire department.

**PROBLEM**

The township received a 22.9% increase and an additional $36k in premium.

**SOLUTION**

Siekmann added a group Medicare supplement resulting in savings of $81,000 with additional future savings.

**CLIENT FEEDBACK**

The township was delighted with the savings that directly benefited local taxpayers, and there is potential for even greater savings in the future.
